Insurance

Your insurance coverage is a contract between you and the insurance company, and it is your responsibility to know your insurance benefits. As a courtesy, we will bill both your primary and secondary insurance companies. We will submit your claims and assist you in any way we reasonably can to help get your claims processed. In order to do this, we must receive all the information necessary to bill. If the information is not supplied, you will be billed, and payment in full will be your responsibility and will be expected within 30 days of receipt of statement.

Medicare

We participate in Medicare program. You are responsible for your co-insurance, any deductibles that have not yet been met, and services that are identified as patient responsibility on your Medicare Explanation of Benefits. We strive to inform our Medicare patients of services that will not be covered. We may ask you to sign an Advanced Beneficiary Notice, which lists our fee and notifies you of your financial responsibility for certain medical services.

Managed Care

Many patients are enrolled in Managed Care Products. In order for us to obtain referrals and/or pre-authorizations for procedures, it is important that we have your current insurance information. Depending on individual policies, your procedure may not be a covered benefit. It is your responsibility to check for optimal coverage and policy limitations, and to obtain referrals as required by your insurance company. Please contact your insurance company with questions regarding your coverage.

New patients without insurance, or if insurance co-payment and coverage cannot be verified, are required to deposit on or before the first date service. If insurance payment results in a credit balance, it will be refunded to you within 30 days.
